

REPORT ABOUT THE EARTH DAY CELEBRATION

- The Earth day was celebrated on 22nd April (22.04.2015 / Wednesday) in the premises of KG section. The programme started around 08:30 am and finished by 09:30 am.
- The assembly was conducted by Mrs. Sudha and followed by Ms. Safra who hosted the programme. She explained the importance of Earth day to the children in a very interesting and understandable manner.

- Participants were dressed up like butterflies, trees, water drops etc.
- Parents were also very co-operative and supportive to conduct the program successfully. The non-participants enjoyed the program and got inspired by their friends which will be a good start for them to participate in future.
