

ASIAN INTERNATIONAL PRIVATE SCHOOL, RUWAIS

“SCIENCE IS THE WORD WE USE TO DESCRIBE A METHOD OF ORGANIZING OUR CURIOSITY”

29/10/2018

Dear Parents and Students,

AIS-RUWAIS always takes initiatives to provide interactive, innovative and creative learning experiences to our students. To provide a forum for our young talents to pursue their natural curiosity, creativity, innovation and inventiveness, we are organizing Science week for the year 2018-19 from 13th to 17th November for grades KG to V.

With the theme ***‘SCIENCE FOR THE PEOPLE AND INNOVATION FOR PROSPERITY’*** & motto ***‘Imagine, Invent, Inspire’*** we bestow a fantastic opportunity to students to inculcate an interest in science and incite our young generation to become fascinated by the world we live in. Interested students are requested to give their names to their respective class teachers. The following competitions will be held during Science week.

SCIENCE WEEK-ACTIVITIES
